CALLING ALL PITTSBURGH MAKERS

Want to support STEAM education while showcasing your expertise? Get involved with Assemble's semi-annual fundraiser, MakerDate!

Assemble is a 501(c)3 nonprofit organization dedicated to fostering learning and creativity. We build confidence through making by uniting communities of artists, technologists, makers, and learners.

MakerDate brings together the best of Pittsburgh’s crafters, makers, artists, and technologists in a traditional date auction-style. This year’s MakerDate theme is Make it Mythical!

We are currently looking for artists and other makers who would be interested in sponsoring MakerDates for our silent auction, sessions where you would teach a skill to the highest bidder.

Interested? Scan the QR Code to fill out the survey by Monday, March 30th, 2020.
