## Request Details

*Requests should be no more than 2 pages in length. Questions are derived from [Space to Learn](#) document, which we will link to in the application.*

- Values: What are the values of your organization related to learning?
  - How might a new space directly support those values?
- [Little Bets](#): What steps have you taken, no matter how small, that have lead you to want to reimagine a space?
- Design Mindset: What questions are most top of mind for you as you think about redeveloping a space? What guidance are you seeking? What do you hope the cohort process (September-November 2019) to support?
- Students to the Center: How do you imagine young people and other stakeholders of the space (beyond primary educators) could be involved in co-design of a space?
- Learn From: What other spaces have you been inspired by?
- In Practice: Who wants you to transform this space? Is it your leadership? Your students/young people you work with? Your community? You? How can you show us this?
