

#REMAKE TOMORROW

CAMPAIGN IMPACT

Launched on May 22, 2020, the Tomorrow Campaign, powered by Remake Learning, is forging a future where each day holds promise for every learner — where youth, families, and educators connect timeless ideas and new ways of learning to prepare for what comes next.

LEARNING-CENTRIC INITIATIVES

Students impacted:
100s of thousands

Educators reached:
10s of thousands

\$1.51 million
distributed to support
the future of learning

“THE BEGINNING OF SOMETHING ELSE”

“Often, when you think you’re at the end of something, you’re at the beginning of something else,” Fred Rogers once said. And that’s exactly where we find ourselves now – what “something else” looks like is largely up to us.

AWARENESS + ACTION

38MM+
reached with
the Tomorrow
Campaign

59K+
parents, caregivers
and educators
supported Tomorrow
by sharing and
engaging with their
'something else'

19K+
engaged in
Tomorrow
conversations
and articles
about the future
of learning

65+
virtual learning
events and
conversations

WHAT'S NEXT?

We are just at the beginning of something else...and we will be ready, no matter what tomorrow may bring.

Please continue to follow the Remake Learning blog, subscribe to our newsletter, and add teaching and learning resources to our directory.
